

**REPRESENTING PREMIER MANUFACTURERS SINCE 1985**

	<ul style="list-style-type: none"> <li>• <b>PARAGON DOAS</b></li> <li>• Typically ships in 3 weeks as available</li> <li>• Danfoss variable speed inverter scroll compressor, less noise!</li> <li>• Fully modulating HGRH option</li> <li>• Integrated controls, User friendly</li> </ul>	<ul style="list-style-type: none"> <li>• Easy maintenance</li> <li>• National Service Network</li> <li>• CAS-Link 24/7 Real Time Unit Monitoring standard</li> <li>• Standard 5-yr parts;10-yr parts/labor warranty option</li> </ul>
	<ul style="list-style-type: none"> <li>• Comprehensive chiller line</li> <li>• Water, air-cooled DX units</li> <li>• DOAS (RTU)</li> </ul>	<ul style="list-style-type: none"> <li>• Air handling units</li> <li>• Computer room units</li> <li>• Industrial refrigeration</li> </ul>
	<ul style="list-style-type: none"> <li>• Leading global provider of UV and carbon technologies for surface/airstream disinfection, improved indoor air quality</li> <li>• Fight mold, bacteria, viruses and odors</li> <li>• Keeps coil free of mold &amp; microbial growth - No cleaning!</li> </ul>	<ul style="list-style-type: none"> <li>• Energy savings &amp; reduced maintenance costs</li> <li>• Neutralize odors &amp; toxic VOCs (APCO)</li> <li>• Chemical-free disinfection</li> <li>• No harmful ozone</li> <li>• Extends life of HVAC system</li> </ul>
	<ul style="list-style-type: none"> <li>• <b>Variable Refrigerant Packaged Heat Pump (VRP)</b> gives VRF performance and single package simplicity at a significantly lower installation price:</li> <li>• Precision inverter technology</li> <li>• Best in class cooling</li> <li>• True humidity control; optional reheat coil</li> </ul>	<ul style="list-style-type: none"> <li>• Conditioned fresh air</li> <li>• Superior, efficient heating</li> <li>• <b>Vertical Package Terminal AC units</b>, industry leader</li> <li>• <b>FreshAire PTAC units</b> fully integrated make-up air with ASHRAE 62.1 compliance</li> <li>• Ductless split systems</li> </ul>
	<ul style="list-style-type: none"> <li>• Electric duct, cabinet, unit heaters</li> <li>• Explosion proof heaters</li> </ul>	<ul style="list-style-type: none"> <li>• Controls</li> </ul>
	<ul style="list-style-type: none"> <li>• Air Handling Units (modular, flexible)</li> <li>• 100% thermal break posts/panels</li> <li>• Magnelis corrosion coating</li> <li>• 10,000 Hr. salt spray rated</li> <li>• Stainless CHW coil casing</li> </ul>	<ul style="list-style-type: none"> <li>• Triple-sloped stainless steel drain pan and drain pipe</li> <li>• Direct drive plenum fans</li> <li>• Slide-out chilled water coil</li> <li>• Easy maintenance</li> </ul>
	<ul style="list-style-type: none"> <li>• BACnet Open BMS solutions</li> <li>• Commander IoT platform</li> <li>• KMDigital Proprietary Digital BMS</li> </ul>	<ul style="list-style-type: none"> <li>• FlexStat &amp; AppStat controllers</li> <li>• Actuators and valves</li> </ul>
	<ul style="list-style-type: none"> <li>• <b>DESIGO OPTIC</b> Open Building Management Software</li> <li>• <b>TALON</b> Open protocol building controls are able to seamlessly link BACnet, LonTalk, Modbus and other common open protocol devices into a single, robust control system</li> <li>• Non-proprietary and completely expandable to include HVAC, lighting, security and life safety</li> </ul>	<ul style="list-style-type: none"> <li>• Actuators and valves</li> <li>• Variable frequency drives</li> <li>• Power meters</li> <li>• Gamma lighting controls</li> <li>• Deliver comfort, safety and energy efficiency.</li> <li>• Global leader</li> </ul>
	<ul style="list-style-type: none"> <li>• Oil-free chiller technology leader</li> <li>• Water and air-cooled</li> <li>• Quiet, low sound &amp; vibration</li> </ul>	<ul style="list-style-type: none"> <li>• Energy savings up to 35%</li> <li>• Maintenance savings up to 50%</li> </ul>
	<ul style="list-style-type: none"> <li>• Fan coils</li> <li>• Air handling units</li> </ul>	<ul style="list-style-type: none"> <li>• Furnaces</li> </ul>

Please contact us at (205) 956-9220, (844) 500-9220, or via email at [insidesales@ccsi-se.com](mailto:insidesales@ccsi-se.com). Some of our manufacturers are market specific. Please visit our website at [www.ccsi-se.com](http://www.ccsi-se.com) for additional information on our products and services.
