

**REPRESENTING PREMIER MANUFACTURERS SINCE 1985**

	<ul style="list-style-type: none"> <li>• <b>PARAGON Dedicated Outdoor Air System</b></li> <li>• Typically ships in 3 weeks or less</li> <li>• Danfoss variable speed inverter scroll compressor, less noise!</li> <li>• Fully modulating HGRH option</li> <li>• Integrated controls, User friendly</li> </ul>	<ul style="list-style-type: none"> <li>• Easy maintenance/service</li> <li>• National Service Network</li> <li>• CAS-Link 24/7 Real Time Unit Monitoring standard</li> <li>• Standard 5-yr parts</li> <li>• 10-yr parts/labor warranty option</li> </ul>
	<ul style="list-style-type: none"> <li>• Over 100 different models of specialty AC units for critical mission environments with sensitive temperature and humidity needs</li> </ul>	<ul style="list-style-type: none"> <li>• Data center, network facilities, computer rooms, and other applications</li> </ul>
	<ul style="list-style-type: none"> <li>• Leading global provider of UV and carbon technologies for surface/airstream disinfection, improved indoor air quality</li> <li>• Fight mold, bacteria, viruses and odors</li> <li>• Keeps coil free of mold &amp; microbial growth - No cleaning!</li> <li>• Extends life of HVAC system</li> </ul>	<ul style="list-style-type: none"> <li>• Energy savings &amp; reduced maintenance costs</li> <li>• Neutralize odors &amp; toxic VOCs (APCO)</li> <li>• Chemical-free disinfection</li> <li>• No harmful ozone</li> <li>• Commercial and residential</li> </ul>
	<ul style="list-style-type: none"> <li>• <b>Variable Refrigerant Packaged Heat Pump (VRP)</b> Unit gives VRF performance and single package simplicity at a significantly lower price:</li> <li>• .7,1T,2T,3T sizes available</li> <li>• Precision inverter technology</li> <li>• Best in Class cooling</li> <li>• True humidity control; optional Reheat coil</li> <li>• Conditioned fresh air</li> <li>• Superior, efficient heating</li> </ul>	<ul style="list-style-type: none"> <li>• Huge savings on installation costs – less piping, electrical, roof</li> <li>• Better aesthetics, no units on roof or outside</li> <li>• <b>Vertical Package Terminal AC Unit (VTAC)</b>, industry leader</li> <li>• <b>FreshAir PTAC Unit</b> fully integrated make-up air with ASHRAE 62.1 compliance</li> <li>• Ductless split systems</li> </ul>
	<ul style="list-style-type: none"> <li>• Electric duct, cabinet, unit heaters</li> <li>• Explosion proof heaters</li> </ul>	<ul style="list-style-type: none"> <li>• Controls</li> </ul>
	<ul style="list-style-type: none"> <li>• Air Handling Units (modular, flexible)</li> <li>• 100% thermal break posts/panels</li> <li>• Magnelis corrosion coating</li> <li>• 10,000 Hr. salt spray rated</li> <li>• Stainless CHW coil casing</li> </ul>	<ul style="list-style-type: none"> <li>• Triple-sloped stainless-steel drain pan and drain pipe</li> <li>• Direct drive plenum fans</li> <li>• Slide-out chilled water coil</li> <li>• Easy maintenance</li> </ul>
	<ul style="list-style-type: none"> <li>• <b>BACnet</b> and <b>Niagara</b> Open BMS solutions</li> <li>• <b>KMC Commander</b> IoT platform</li> <li>• <b>KMDigital</b> Proprietary BMS</li> </ul>	<ul style="list-style-type: none"> <li>• FlexStat and AppStat controllers</li> <li>• Actuators and valves</li> <li>• Digital, electronic, pneumatic</li> </ul>
	<ul style="list-style-type: none"> <li>• <b>School Air</b> Classroom Units by Compu-Aire Dehumidifying classroom air-cooled DX packaged unit ventilators in heat pump and cooling/electric heat configurations</li> <li>• Indoor/Outdoor Units, 2 – 6 Ton capacities</li> </ul>	<ul style="list-style-type: none"> <li>• HGRH and optional enthalpy wheel to handle outside air</li> <li>• Low sound and sound attenuation</li> <li>• Healthier, comfortable learning</li> </ul>
	<ul style="list-style-type: none"> <li>• <b>DESIGO OPTIC</b> Open Building Management Software</li> <li>• <b>TALON</b> Open Building Automation Controls seamlessly link BACnet, LonTalk, Modbus and other common open protocol devices into a single, robust control system.</li> <li>• Non-proprietary and completely expandable to include HVAC, lighting, security and life safety</li> </ul>	<ul style="list-style-type: none"> <li>• Actuators and valves</li> <li>• Variable frequency drives</li> <li>• Power meters</li> <li>• Gamma lighting controls</li> <li>• Regulate airflow, monitor energy use; integrate with security, lighting, and other systems.</li> <li>• Deliver comfort, safety and energy efficiency with Global Leader.</li> </ul>
	<ul style="list-style-type: none"> <li>• Fan coils</li> <li>• Air handling units</li> </ul>	<ul style="list-style-type: none"> <li>• Furnaces</li> <li>• Integrated piping system</li> </ul>

Some of our manufacturers are market specific. Please contact us at [service@ccsi-se.com](mailto:service@ccsi-se.com) or visit our website at [www.ccsi-se.com](http://www.ccsi-se.com) for additional information.
